

TWENTY ROWS

QUALITY, BALANCE WITH ACCESSIBILITY – ARTFULLY CRAFTED

Twenty Rows was created as an homage to the first vineyard block that we planted in Napa Valley. Our dream was to craft small lots of the finest Napa Valley wines that reflected honest varietal character and showcase their terroir. In 2003 we released our first vintage. Our mission is to share the simple and pure beauty of varietal wines that soar with flavor and texture. Twenty Rows wines reflect this signature style allowing the grapes to tell the story. Minimal handling is balanced with careful blending across multiple small lots for added layers and nuance. The resulting wines are balanced with integrated complexity and a graceful style that make a perfect companion to food.

Our partner Jason Trulby discovered the magic of wine by working in a restaurant while pursuing his college degree. He learned that a beautifully made wine could transform a meal into a feast—and he's never looked back. His mission is to share the simple and pure beauty of varietal wines that soar with flavor and texture. Twenty Rows wines reflect his signature style allowing the grapes to tell the story. Minimal handling is balanced with careful blending across multiple small lots for added layers and nuance. The resulting wines are balanced with integrated complexity and a graceful style that make a perfect companion to food.

TWENTY ROWS

SINCE THE FIRST VINTAGE RELEASE IN 2003, OUR PORTFOLIO INCLUDES: CHARDONNAY, PINOT NOIR, AND THE WINE THAT STARTED IT ALL – CABERNET SAUVIGNON.

NAPA VALLEY - CHARDONNAY

A balance of flavors and textures, this Napa Valley Chardonnay has hints of tropical fruit and vanilla. Aged in 10% new French oak, notes of pineapple, ripe lemons and citrus are complemented with a touch of toast on the finish.

SONOMA COUNTY - PINOT NOIR

This Pinot Noir highlights the red fruit and sweet spice character that makes the grapes of Sonoma County so famous. It displays bright aromas and flavors of strawberry, raspberry and cherry with a hint of cinnamon and subtle earthiness that lingers over the palate.

NORTH COAST - CABERNET SAUVIGNON

Sourcing fruit from diverse vineyards, we create complex aromas and rich structure for our north coast cabernet. The mountain fruit provides smooth, velvety tannins with aromas and flavors of black cherries and blackberries, while the valley floor fruit provides notes of dusty cocoa and currants.

NAPA VALLEY - RESERVE CABERNET SAUVIGNON

Sourcing fruit from the best blocks of our Napa Valley vineyards, Twenty Rows Reserve Cabernet Sauvignon boasts lush aromas, a rich structure, and an elegant finish. Bold but highly nuanced, our Reserve Cabernet is the finest expression of what our vineyards have to offer.
