

TWENTY ROWS

PINOT NOIR
SONOMA COUNTY
2021

Twenty Rows was created as an homage to the first vineyard block that we planted in Napa Valley. Our dream was to craft small lots of the finest Napa Valley wines - true to varietal in character and showcasing their distinct terroir.

In 2003, we released our first vintage, and that same year we befriended a like-minded partner in Jason Trulby. Together, our mission remains to create and share varietal wines that soar with flavor, texture and beauty. The wines are complex, beautifully balanced and a perfect companion to food. A minimal handling of fruit and the meticulous blending across multiple small lots is what creates and sustains Twenty Rows' signature style.

This Pinot Noir highlights the red fruit and sweet spice character that makes the grapes of Sonoma County so famous. Aromas of raspberry and red cherry with just a hint of spice and brown sugar, and flavors of cherry and dark fruit, with notes of cinnamon, black pepper, and a rich earthiness. This wine has a lingering finish and is beautifully balanced.
