TWENTY ROWS OF DREAMS

In Napa Valley, where the sun embraces the earth and the vines reach toward the heavens, a winery was born. Two dreamers toiled tirelessly among their twenty rows of vines, cultivating the promise of the future. Together, they wove the threads of land, sun and seasons into a tapestry of liquid poetry. Each bottle offers a glimpse into the soul, a sip of history, and an invitation to partake in the legacy.

CABERNET SAUVIGNON NORTH COAST 2023

We source fruit from mountain and valley floor vineyards to create complex aromas and a full-bodied structure for our North Coast Cabernet Sauvignon. On the nose, aromas of cherry, black pepper, and tobacco, with hints of leather and earthy undertones. On the palate, firm tannins with intense flavors of dark fruit, such as blackberry and black cherry, as well as notes of vanilla, oak and spice.
